# Overview of the UNEP Global Mercury Partnership

# Global Mercury Partnership

---

- Voluntary multi-stakeholder network initiated in 2005 by UNEP Governing Council
- Overall Goal: to protect human health and the environment from the releases of mercury

## Current priority focus:

- Support timely and effective implementation of the Minamata Convention
  - Provide knowledge and science on mercury
  - Deliver outreach and awareness raising towards global action
-

# Eight Partnership Areas of work

**Thank you,**
