of the Parties: financial rules

Financial rules for the Conference of the Parties to the
Minamata Convention on Mercury, its subsidiary bodies and
the secretariat of the Convention

Note by the secretariat

1. By its decision MC-1/10, the Conference of the Parties to the Minamata Convention on Mercury adopted the financial rules for the Conference of the Parties and any of its subsidiary bodies, as well as financial provisions governing the functioning of the secretariat of the Convention. A set of brackets remained in paragraph 3 (e) of rule 5 on contributions and there are also brackets in the annex to the financial rules that detail the procedure for the allocation of funding from the Special Trust Fund for facilitating the participation of parties in meetings of the Conference of the Parties. Paragraph 2 of that annex is in brackets and that paragraph contains further bracketed text. Lastly, there are brackets in paragraph 5 of the annex.

2. The secretariat presents, for the consideration of the Conference of the Parties at its second meeting, the text of paragraph 3 (e) of rule 5 of the financial rules, and of paragraphs 2 and 5 of the annex to the financial rules in annex I to the present note. The bracketed text remaining in paragraph 3 (e) of rule 5 relates to the Conference of the Parties making decisions on appropriate measures when payment schedules are not jointly decided or respected, taking into account the specific needs and the special circumstances of developing countries and particularly least developed countries or small island developing States, or only those of least developed countries or small island developing States. Paragraph 2 of the annex refers to the procedure giving attention to least developed countries and small island developing States, and the procedure being guided by established United Nations practice. Paragraph 5 of the annex refers to a list of sponsored delegates being prepared by the head of the secretariat with a view to ensuring adequate geographical representation of eligible regions. The matter of whether priority or special attention should be given to least developed countries and small island developing States remains in brackets.

3. A draft decision providing for the adoption of the outstanding text in the financial rules and in its annex is set out in annex II to the present note.

* UNEP/MC/COP.2/1.
Suggested action by the Conference of the Parties

4. The Conference of the Parties may wish to consider the outstanding paragraph in rule 5 of the financial rules, and the remaining outstanding paragraphs in the annex to the financial rules with a view to adopting the final text.
Annex I

**Paragraph 3 of rule 5 of the financial rules, and paragraphs 2 and 5 of the annex to the financial rules**

**Rule 5, paragraph 3**

3. In respect of contributions made pursuant to rule 5, paragraph 1 (a):

   (a) Contributions for each calendar year are expected by 1 January of that year and should be paid promptly and in full. Parties should be notified of the amount of their contributions for a given year by 15 October of the previous year;

   (b) Each party shall, as far in advance as possible of the date due for the contribution, inform the head of the secretariat of the contribution it intends to make and of the projected timing of that contribution;

   (c) If the contributions of any parties have not been received by 31 December of the relevant year, the head of the secretariat shall write to those parties to impress upon them the importance of paying their respective outstanding contributions for prior periods and shall report to the Conference of the Parties at its next meeting on the consultations with such parties;

   (d) If the contributions of any party have not been received after two or more years, the head of the secretariat shall jointly decide with any party who has outstanding contributions to develop a payment schedule to permit such party to pay all outstanding contributions within six years, depending on the financial circumstances of the party, and to pay future contributions promptly. The head of the secretariat shall report to the Bureau and to the Conference of the Parties at their next meetings on progress under any such schedule;

   (e) If a payment schedule is not jointly decided or respected, the Conference of the Parties will decide on appropriate measures, taking into account the specific needs and the special circumstances of [developing countries, particularly] least developed countries or small island developing States;

   (f) Given the importance of the full and effective participation of developing country parties, in particular least developed countries and small island developing States, and parties with economies in transition, the head of the secretariat shall remind parties of the need for contributions to the Special Trust Fund at least six months prior to each ordinary meeting of the Conference of the Parties, reflecting on the financial need, and urge parties in a position to do so to ensure that any contributions are paid at least three months before the meeting.

**Annex to the financial rules, paragraphs 2 and 5**

2. [The procedure should give [priority][special] attention to least developed countries and small island developing States and thereafter aim at ensuring adequate representation of all eligible parties. It should continue to be guided by established United Nations practice.]

5. Based on the availability of financial resources and the number of requests received, the head of the secretariat shall prepare a list of sponsored delegates. The list shall be established in accordance with paragraphs 1 and 2 above with a view to ensuring adequate geographical representation of eligible regions, [with [priority][special] attention given to least developed countries and small island developing States].
