INTRODUCTION

The Parties to this Memorandum of Understanding,

Recalling Article 11 of the Convention and recognizing that the financial mechanism is to provide financial resources on a grant and concessional basis, including for the transfer of technology, and is to function under the guidance of and be accountable to the COP, which shall decide on its policies, programme priorities and eligibility criteria related to the Convention,

Recalling Article 11.1 which states that the operation of the financial mechanism shall be entrusted to one or more existing international entities,

Recalling also the decision of the first session of the COP on the maintenance of the interim arrangements referred to in Article 21.3 that the restructured GEF shall continue, on an interim basis, to be the international entity entrusted with the operation of the financial mechanism, referred to in Article 11,

The Council of the GEF is responsible for approving the GEF work programmes. If any Party considers that a decision of the Council regarding a specific project in a proposed work programme does not comply with the policies, programme priorities and eligibility criteria established by the COP in the context of the Convention, the COP should analyse the observations presented to it by the Party and take decisions on the basis of compliance with such policies, programme priorities and eligibility criteria. To this end, the Council of the GEF will require all such bodies, with respect to GEF-financed activities, to comply with GEF policy on disclosure of information.

7. In its reporting on GEF-financed activities under the financial mechanism, the GEF should include specific information on how it has applied the guidance and decisions of the COP in its work related to the Convention. This report should be of a substantive nature and incorporate the programme of GEF activities in the areas covered by the Convention and an analysis of how the GEF, in its operations related to the Convention, has implemented the policies, programme priorities and eligibility criteria established by the COP. In particular, a synthesis of the different projects under implementation and a listing of the projects approved by the Council in the climate change focal area as well as a financial report with an indication of the financial resources required for those projects should be included. The Council should also report on its monitoring and evaluation activities concerning projects in the climate change focal area.

Determination of funding necessary and available

9. In accordance with Article 11.3(d) of the Convention, which calls for arrangements to determine in a predictable and identifiable manner the amount of funding necessary and available for the implementation of the Convention and the conditions under which that amount shall be periodically reviewed, the COP and the Council shall jointly determine the aggregate GEF funding requirements for the purpose of the Convention. Procedures to facilitate such a joint determination will be developed by the COP and the Council and annexed to this Memorandum.

Cooperation between secretariats

10. The secretariats of the Convention and of the GEF shall cooperate and exchange on a regular basis views and experiences necessary to facilitate the effectiveness of the financial mechanism in assisting Parties to implement the Convention.

Likewise, the participation of representatives of the Convention in meetings of the Council of the GEF will be determined in accordance with the rules of procedure of the Council of the GEF. In formulating and applying its rules, each organization will make every effort to accord the other organization reciprocal representation privileges.

Modification of the Memorandum of Understanding
13. This Memorandum of Understanding may only be modified in writing by agreement between the COP and the Council of the GEF.

Entry into effect

14. This Memorandum of Understanding shall come into force upon its approval by the COP of the Convention and the Council of the GEF.

Termination

15. This Memorandum of Understanding may be terminated by either Party giving six months’ notice in writing to the other.
