

Reporting under the Minamata Convention on Mercury – Singapore 2019

Article 3: Mercury Supply Sources and Trade

Question 3 (i)

Mercury and mercury compounds are controlled as hazardous substances under the Environmental Protection and Management Act (EPMA) and Environmental Protection and Management (Hazardous Substances) Regulations (EPM(HS) Regs). A hazardous substances licence/permit is required for the importation, exportation, manufacture, storage and sale of such hazardous substances. A copy of the EPMA and EPM(HS) Regs are appended below.
