Part B

Article 3: Mercury supply sources and trade

1. Does the party have any primary mercury mines that were operating within its territory at the date of entry into force of the Convention for the party? (Para. 3.)
   - Yes
   - No
   
   If yes, please indicate:
   a) The anticipated date of closure of the mine(s): (month, year) OR
   b) The date upon which the mine(s) closed: (month, year)
   c) *Total amount mined _______ metric tons per year

3. Has the party endeavoured to identify individual stocks of mercury or mercury compounds exceeding 50 metric tons and sources of mercury supply generating stocks exceeding 10 metric tons per year that are located within its territory? (Para. 5.)
   - Yes
   - No
   
   a) *If the party answered Yes to Question 3 above:
      i. Please attach the results of your endeavour or indicate where it is available on the internet, unless unchanged from a previous reporting round.
      
         There were no stocks of mercury and sources of mercury supply in operation during the reporting period in Macao Special Administrative Region of the People's Republic of China.
      
      ii. Supplemental: Please provide any related information, for example on the use or disposal of mercury from such stocks and sources.
   
   b) If the party answered No above, please explain.

5. *Has the party received consent, or relied on a general notification of consent, in accordance with article 3, including any required certification from importing non-parties, for all exports of mercury from the party’s territory in the reporting period. (Para. 6, para. 7.)
   Yes, exports to parties
   - Yes
   - No
   
   If yes,
   a. and the party has submitted copies of the consent forms to the secretariat, then no further information is needed.
   
   If the party has not previously provided such copies, it is recommended that it do so.
   
   Otherwise, please provide other suitable information showing that the relevant requirements of paragraph 6 of article 3 have been met.
   
   Supplemental: please provide information on the use of the exported mercury.

   b. If exports were based on a general notification in accordance with article 3, paragraph 7, please indicate, if available, the total amount exported and any relevant terms or conditions in the general notification related to use.
**Article 11: Mercury wastes**

2. Are there facilities for final disposal of waste consisting of mercury or mercury compounds in the party’s territory?

- Yes
- No
- Do not know (please explain)

*Explanation: At present, guideline for mercury waste disposal and management is not yet issued by the Conference of the Parties to the Convention, so it is difficult to determine whether the Macao Special and Hazardous Waste Treatment Plant of the Environmental Protection Bureau of the Government of the Macao Special Administrative Region of the People’s Republic of China meets the requirements of the Convention.*

If yes, if the information is available, how much waste consisting of mercury or mercury compounds has been subjected to final disposal under the reporting period? Please specify the method of the final disposal operation/operations.

**Part C: Comments regarding possible challenges in meeting the objectives of the Convention**

(Art. 21, para. 1)

Supplemental: **Part D: Comments regarding the reporting format and possible improvements, if any**
